

## DAY TO MOVE DRY AGENTS AFTER RAID ON THEIR 'HANGOUT'

New Director Looks for Other Quarters—Brooklyn too Faces Shakeup.

Ralph A. Day, the new Director of Prohibition in the New York district, started out to-day to find new quarters for his force. He did not say whether his decision to move was brought about by the successful raid made by his agents yesterday on the saloon of Herman Mandelbaum, right across the street from the present office at No. 49 West 27th Street, which has been the "hangout" of some of his agents.

At about the time of the raid Mr. Day dropped seven of his agents "for substantial reasons" and accepted the resignation of Herman Wittenberg, who has been in charge of the squad of agents who have been going about town at night in dress clothes, accompanied by good looking young women.

Earlier in the day yesterday, Mr. Day had said he contemplated no immediate changes in his force, but the ink was hardly dry on his oath of office before he began hearing stories which seemed to him to warrant drastic action. They had to do with payments of from \$250 to \$1,000 a week by Broadway restaurantkeepers for immunity from prosecution—due either to the loss or spilling of evidence, or by the indifferent way in which agents presented evidence before the United States Commissioner.

The only raids reported to-day were two made by a squad under Agent Galante. Joseph Sugar of No. 120 East Houston Street, and his bartender, Edward King, were taken before Commissioner Hitchcock after a drink had been bought in the place and a search had revealed a gallon of wine and a quart of near-whiskey. David Boyneff was arrested in his saloon at No. 597 Water Street, three gallons of wine being found behind his counter.

Changes are expected soon in the

Brooklyn Enforcement Office. It is said Mr. Day is not satisfied with the work done in Brooklyn in the last month, when twenty-five out of thirty-six arrests were made by one agent, Samuel Weissenberg.

Weissenberg to-day arrested George Haddbeck, owner, and Fred Patterson, bartender, at No. 7001 Third Avenue. He also arrested Adolph Vogel, owner, and Ernest Hincis, bartender, at No. 6802 Third Avenue. Jacob D. Langer, druggist, No. 7124 Third Avenue, was alleged to have sold a half pint of whiskey to an agent for \$1.50, and was arrested.

## PERSIAN RAIDERS STRIP THREE AMERICAN GIRLS

Tribesmen Loot Town and Then Disappear.

LONDON, Dec. 2.—A despatch to the London Times from Tahriz, Persia, dated Tuesday, says wild tribesmen raided the American Lutheran Mission at Sybulak Oct. 7 and tore the clothes off three Americans, the Misses Schenck, Fossum and Goddard, and brutally handled M. Bachmont, a Frenchman attached to the mission. Mrs. Bachmont was found two days later in a distraught condition, hiding in a ruined house.

After looting the town the tribesmen withdrew.

## FRENCH HONOR WILLIAMS AEW.

WASHINGTON, Dec. 2.—Major Gen. C. C. Williams, Chief of Ordnance, who has been a member of the French Legion of Honor for some time, was promoted to-day to the grade of Commander. For his war service Gen. Williams received the Legion of Honor with the rank of Officer, but to-day a representative of the French Embassy presented him with the new medal.

## ROBERT-FROHMAN JUDGMENT REVERSED.

The judgment of six cents awarded to Forbes Robertson in his suit against Daniel Frohman, Inc., for alleged breach of contract was to-day reversed by the Appellate Division of the Supreme Court. Mr. Robertson was granted a new trial and will have another opportunity to prove to the court that he is entitled to salary at \$400 a week, and transportation for the unexpired period of the contract.

## FOR A NATIONAL "YONKERS PLAN"

Dry Convention Sponsors Formation of Auxiliary Organization to Help Enforcement.

WASHINGTON, Dec. 2.—Anti-Saloon League workers in session here to-day adopted a programme for law enforcement, sponsoring the formation of State and county organizations which will be voluntary auxiliaries in aiding prohibition enforcement officers to enforce the dry law throughout the country.

Organizations to co-operate with the State Anti-Saloon League would function in part as follows:

Nominate, elect and secure the appointment of officers who believe in the law.

Appeal to the State Anti-Saloon League for additional counsel or co-operation of State and Federal officers.

Report evidence of law violations. Arrange for representatives of the organization to attend court trials. Encourage discussion of law enforcement in young people's societies, schools, etc., and educate members of clubs in law enforcement. Protest to a judge or other officer who gives "ridiculously low fines or fails in doing his duty and makes law enforcement a farce."

## MILLION DECREASE IN U.S. UNEMPLOYED

WASHINGTON, Dec. 2.—The number of the Nation's unemployed has decreased more than a million during recent weeks, according to an estimate of the National Conference on Unemployment announced to-day by Secretary Hoover.

The Commerce Secretary said that while some of the decrease might be only temporary, reports from all parts of the country indicated considerable improvement. He cited reports from St. Louis of approximately 15,000 unemployed, as compared with previous figures of 65,000. Estimates at the Unemployment Conference placed the country's total at between 3,500,000 and 4,000,000.

## WHISKEY IN YARD, CHARGE.

Patrolman Lutz of West 20th Street Station last night arrested Michael Casey, twenty-nine, of No. 233 West 30th Street. It is alleged Casey had fifteen quarts of whiskey in his possession when arrested in the yard back of No. 222 West 20th Street.

## MOTORING IN A NIGHTIE CHARGED AGAINST WIFE

Put on a Kimono and Went Along, Divorce Witness Says.

The trial of the suit for divorce of Martin Pollock, President of the Union Dyeing and Finishing Works, of No. 319 West 58th Street, Manhattan, against Mrs. Augusta Pollock, was concluded to-day before Supreme Court Justice Strong in Brooklyn and the case went to the jury with the instruction of Justice Strong that they must be fully satisfied that the defendant had the inclination for wrong doing and an opportunity.

Mrs. Sadie Rosenberg of No. 319 Covert Street, Brooklyn, had testified about the incidents of a night ride in an open automobile on Ocean Parkway, Brooklyn, Sept. 27, with Moses Cohen of No. 1024 Fifth Avenue, the co-respondent. She said that Mrs. Pollock had risen from bed to go out to ride, throwing a kimono over her night-clothes.

She also told of a visit to Cohen's apartment in October where she saw Mrs. Pollock.

## FLOGGING OF MINISTER TAKEN UP BY BRITAIN

Case of Rev. F. S. Irwin of Miami Made Subject of Inquiry.

MIAMI, Fla., Dec. 2.—Acting under telegraphic instructions from the British Embassy in Washington, A. H. Hubbard, British Vice Consul here, to-day began an investigation into the flogging and tarring and feathering here last August of the Rev. Philip S. Irwin, Archdeacon of the Protestant Episcopal Church and a British subject, who was engaged to work among the negroes of Miami.

Mr. Hubbard said the inquiry also would include investigation of similar treatment accorded George Doty, a negro blacksmith, in a small town of Dade County. Doty also is a British subject. Both left the county after their experience with their masked attackers.

## CRIPPLED BOY IN COURT IN HIS MOTHER'S ARMS

Nine-Year-Old Lost Leg When Hit by Auto.

James Heedy, nine years old, was carried into Yorkville Court in the arms of his mother to-day to give testimony as to the accident on Aug. 20 that has cost him a leg. It was amputated at the hip. The child was crossing Second Avenue near his home at No. 213 East Fifty-fifth Street and was run down by an automobile driven by Joseph Stanley, a negro, of No. 332 East Fifty-second Street. The child was taken to the Metropolitan Hospital where he developed lockjaw. Gangrene set in and his leg was amputated on the third operation.

Stanley was held in \$1,300 for the Grand Jury on a charge of felonious assault.
